LISTEN TO OUR HEARTS

Geoff Moore & Steven Curtis Chapman

1

C#m A C#m
How do you explain, how do you describe
A B C#m
A love that goes from East to West,and runs as deep as it is wide
A C#m
You know all our hopes, Lord you know all our fears
A B C#m
And words cannot express the love we feel, but we long for you to hear

Chorus

A
So listen to our hearts,
Oh Lord please listen...
C#m
hear our spirits sing
and hear us sing...
A
a song of praise that flows
a simple song of praise...
B E
From those you have redeemed
From those you have redeemed
A B E B C#m
We will use the words we know to tell you what an awesome God you are
A B E
But words are not enough to tell you of our love, so listen to our hearts

C#m A C#m
If words could fall like rain, from these lips of mine

So if you listen to my heart, every beat will say
A B C#m
Thank you for the life, thank you for the truth, thank you for the way.

Chorus
